BID SPECIFICATIONS LENTRY® UTILITY LIGHT SYSTEM Model SPECX-SS-C50

- LENTRY UTILITY LIGHT Model SPECX-SS-C50 incorporates:
 - One all-terrain four-legged LENTRY Utility Stand with Adapter,
 - One telescoping pole,
 - One high output LED light head, and
 - A case in which to store the light head and pole.
- LENTRY UTILITY SYSTEM shall stand, with pole and legs fully extended and set on the tallest setting, over 11 feet tall.
- LENTRY UTILITY SYSTEM shall have four independently adjustable, telescoping legs, which:
 - Have four positive locking positions: vertical, normal, and two for uneven terrain;
 - Allow the unit to be level when placed on uneven ground; and
 - Can be adjusted easily by a kick release on each.
- LENTRY UTILITY SYSTEM'S stand and adapter shall:
 - Measure 34 inches long x 7 inches wide x 8 inches high, and
 - Weigh less than 19 lbs.
- LENTRY UTILITY SYSTEM shall include one LENTRY V-Spec LED light head which shall:
 - Produce 28,000 lumens of lights while using only 336 watts of power;
 - Be detachable from the pole using a Quick Release knob;
 - Weigh less than 10 lbs. and measure 14.5 inches long x 3.5 inches wide x 15 inches high; and
 - Be able to tip forward and back and rotate more than 360 degrees without repositioning the system.
- LENTRY UTILITY SYSTEM'S telescoping pole, identified as XT height, shall:
 - Be detachable from the stand portion of the system by turning a knob on the adapter;
 - Retract no less than 44 inches and extend no more than 84 inches (not including the light head); and
 - Have a twist-lock mechanism allowing the pole to be locked at any length in between the retracted and extended lengths.
- LENTRY UTILITY SYSTEM shall come with an injection molded plastic V-Spec Series Case C5022, which shall:
 - Be made in the USA of extreme-duty polypropylene copolymer resin;
 - Measure 49.5 inches long x 9 inches wide x 21.5 inches high;
 - Meet military standards for protection against air, water, theft and impacts (MIL-STD-810G);
 - Have polyethylene closed-cell inner foam, cut exactly to fit the LED light head and XT-height pole, which will not disintegrate with sun or water and will protect and cushion the light and provide extra energy/shock absorption.
 - Be submersible, water-tight, and dust-proof; and
 - Feature two-step latches, multiple points for padlocks, and multiple recessed handles.
- LENTRY UTILITY SYSTEM shall be covered by warranties of:
 - 5 years on the light head;
 - Lifetime on the case; and
 - 5 years on other components, workmanship, and materials.
- LENTRY UTILITY SYSTEM shall be available with these optional accessories:
 - Receiver Hitch Pole Mount that fits standard 2-inch receivers and holds any LENTRY telescoping pole and light.
 - Truck-Mount hardware to hold a telescoping pole and light firmly to a wall, cabinet door, or side of truck.
